3. The question of a billeting officer was discussed and it was proposed by Mr Clover that the local authority should be told that at the moment there was no one willing to take on the work but that if an emergency arose there would be no lack of willingness by a number of people to tackle the job of a billeting officer. Agreed to lay this before the Parish Council.
4. The Chairman pointed out that the meeting was also called for the purpose of laying before it the result of the survey of footpaths and the draft map in accordance with the National Parks and Access to the Countryside Act 1949. The meeting was then adjourned and all members were given an opportunity of inspecting the map and surveys. The meeting stated that it was satisfied with the map and survey which would then be submitted to the County Council.
5. Major Lamprieve proposed a vote of thanks to the Chairman and members of the Parish Council for their work during the last year.
