2 Planning

C13/1251 1 and 2 Wood Barn Cottages, Seckford Hall Road, Great Bealings – Variation of Condition 8 (Permitted Development Rights) of Planning Permission C13/0676

It was noted that SCDC had not stated any reason for this Condition on the permission granted for C13/0676. However, it was presumed that SCDC had included this restriction on development for a valid reason and that there was therefore no justification for removing it. It was therefore

RESOLVED:

- To object to the application

East Anglian Offshore Windfarm Cabling

The Council's objection to the cabling had been circulated to Councillors. It was noted that works by Network Rail at the level crossing regularly affected travel through Gt and Lt Bealings and needed to be borne in mind in travel management plans. SCC had also pointed out that the development could be taking place at the same time as the Adastral park housing development, requiring careful traffic management, especially in view of the proposed main Construction Consolidation Site for the cabling works at Top Street, Martlesham.

3 Finance

Insurance

Community Action Suffolk (previously Suffolk ACRE) had advised that the Council's main insurance policy (which had previously included personal accident cover only for the Clerk and Councillors) had recently been improved to provide this cover for Council employees and volunteers. The policy provided a capital sum of up to £25,000 and a weekly sum of up to £100 up to the age of 75. Thereafter the cover reduced to provide a capital sum of up to £10,000 only.

It was noted that the Council's separate Personal Accident policy had been taken out to provide cover for Council employees and volunteers of up to £10,000 capital sum and up to £25 a week; benefits also reduced above the age of 75. It was therefore **RESOLVED:**

- that in view of the additional cover offered by the Council's main policy there was no need to renew the Council's Personal Accident Policy.

There being no further business to discuss the meeting closed at 7.45pm. The next meeting will be at 7.30pm on Monday 9 September.
